

Muhammad Faiz Alam

ABOUT ME -

Hello my name is Muhammad Faiz Alam. I am a Web Developer as well as a student who is studying in class – 9th. I am Web Developer based in Mumbai, India. Currently I am learning Web Development and I am familiar with languages like HTML, CSS, and JavaScript. I have created my own personal portfolio website (URL – faizalamporfolio.netlify.io). I am a Muslim and following Islam. I have a strong faith in Islam.

PROJECTS -

I have completed many projects like Portfolio website, Dinosaur game, Guess my number game, Bank app and a Quran player. I am looking forward to do more projects like this.

EXPERIENCE -

I am currently studying in a school called Raigad Military School, I am in Class – 9th. I have currently half way through my 9th (in 2022).

FRONT END DEVELOPER -

I am a front end-developer developing website with great designs. I am also looking forward to learn back-end languages like node.js.
